Plumbing Inspection

PLUMBING PERMITS - *Read Carefully*

- Except for Permit No., all portions of this form shall be completed by the applicant. Stamped signatures will ***not*** be accepted.
- Except as provided by law, where plumbing work has been started prior to obtaining a permit, the regular fee therefore shall be doubled.
- A plumbing permit shall expire if work is not commenced within 60 days or if work is abandoned for 120 days.
- It is the responsibility of the permittee to call for all inspections—Phone: 283-4961.
- Permits are nontransferable--all work shall be performed by permittee or his employee.
- No plumbing work shall be concealed or covered until approved by the inspector. Work that is not tagged with an approval shall be considered unapproved. ALL WORK MUST BE INSPECTED.
- The permittee is expected to be knowledgeable of the Plumbing Code --any questions should be resolved ***prior*** to installation.

STREET EXCAVATION PERMITS

- It is understood and agreed that all street excavations will have signs, barricades, plates, and other traffic control devices as required in the manual "Traffic Controls for Street Construction and Maintenance Operations," and that all controls will be maintained until the Public Works Department assumes control.
